Application Details

The petitioner (URS Corporation, Inc.) proposes to vacate four (4) rights-of-way within the proposed Master Site Plan (MSP 10-1-06) "Vista View Park Expansion." The first is a sixty (60) foot right-of-way for canal and levee (Per O.R.B. 9616-442 and O.R.B. 9581-455) located within the center portion of the subject site and runs north/south. The next one is a fifteen (15) foot right-of-way running parallel to the (60) foot right-of-way (Per Clerk of Circuit Courts BK. 156 PG. 230 and P.B. 2, PG. 17 D.C.R.). The last two (2) rights-of-way are located along the northern boundary line of the subject site and run east/west (Per Clerk of Circuit Courts BK. 156 PG. 230 and P.B. 2, PG. 17 D.C.R.). (See attached sketch and legal description).

Staff Analysis

The Town of Davie has no roadway construction plans at this time for said portions of right-of-way. These portions of rights-of-way presently serves as access to the existing lake on the subject site and a canal located along the eastern boundary line of "Riverstone." In lieu of these existing rights-of-way, the proposed master site plan will provide vehicular access to these water bodies through internal roadways. It should be noted that the Development Review Committee (DRC) members had no objections to this vacation request. Furthermore, the petitioner has supplied staff with the required letters of no objection from user of existing rights-of-way.

The following information is staff's analysis based on the criteria established in the Town of Davie's, Land Development Code, Section 12-310(A)(1) for vacation applications:

- (a) It will not adversely affect access to neighboring properties.

This vacation of rights-of-way will not adversely impact access to the neighboring properties. Neighboring properties currently do not utilize these rights-of-way and the vacation request is consistent with the proposed development of "Vista View Park Expansion."

(b) It will not be in conflict with the public interest.

This vacation of the rights-of-way will not be in conflict with the public interest. Presently, there are no plans for roadway construction within these rights-of-way, and access to the existing lake and canal will be through internal roadways proposed within the "Vista View Park Expansion."

Staff Recommendation

Staff finds the application complete and suitable for transmittal to the Planning and Zoning Board and Town Council for further consideration subject to the completion of this vacation application through Broward County's process.
